

FACE HIGH SCHOOL

A Quick Start Guide

STEPS TO GET STARTED

STEP ONE

Enroll with Face by filling out the enrollment form at <https://www.faceschool.org/enrollment-form>

STEP TWO

If you are enrolled with another school contact them to withdraw your student.

STEP THREE

Begin Coursework! Keep track of how long you work on each course.

A standard traditional course is 120 hours of work, takes one school year to complete and counts for one full credit.

Shorter courses are 60 hours, should take a half of a year to complete, and count for 1/2 credit.

STEP FOUR

-Sign up for a login at Faceschool.org

-Twice a year (January & May) you will need to log in and submit a report card for your student.

-If you are not done with your semester or school year you may submit an updated report card later.

STILL NEED HELP?

We would love to chat with you and answer any other questions you might have.

Email us at Info@Faceschool.org

HELPFUL INFORMATION

Here's what we will ask for in the enrollment form:

-Email, phone, and address of all past schools you would like us to request records from. We will do a formal request for transcripts for you.

-Whatever curriculum you plan to use. (If you haven't figured this out yet you may skip it and fill it in within the first month of enrollment)

What do I need to withdraw from our current school?

If they ask where you are withdrawing to Face is a **private school**. Enrollment with Face is legal enrollment with a private school, it is different legally than homeschool law.

YOU DO NOT NEED TO FILE A LETTER OF INTENT.

If the school needs to send an enrollment verification here is the information they will need:

Face Email for enrollment verification: Info@faceschool.org

Face mailing address: 6704 W. 98th Circle, Westminster, CO 80021
