- Shorter courses are 60 hours, should take a half of a year to complete, and count for 1/2 credit.

STEP FOUR

Sign up for a login at Faceschool.org

- Twice a year (January & May) you will need to log in and submit a report card for your student.
- If you have not completed your work for the semester or school year, you may submit an updated report card once finished until August 31 of the current year

STILL NEED HELP?

We would love to chat with you and answer any other questions you might have. Email us at Info@Faceschool.org to ask questions or set up a time to talk.

HELPFUL INFORMATION

HERE'S WHAT WE WILL ASK FOR IN THE ENROLLMENT FORM:

- Email, phone, and address of all past schools you would like us to request records from. We will do a formal request for transcripts for you.
- Select your service level. For High School we ***strongly*** suggest full access. Please read our selecting a service document to understand the difference between the two levels.
- The curriculum & course title for what you plan to use this year. (You may submit this up to one month after enrollment without penalty.)

WHAT DO I NEED TO WITHDRAW FROM OUR CURRENT SCHOOL?

If they ask where you are withdrawing to Face is a **private school**. Enrollment with Face is legal enrollment with a private school, it is different legally than homeschool law.

YOU DO NOT NEED TO FILE A LETTER OF INTENT.

If the school needs to send an enrollment verification here is the information they will need:

Face Email for enrollment verification: Info@faceschool.org

Face mailing address: 6704 W. 98th Circle, Westminster, CO 80021

-add \$60 per 9th - 11th grade high school student

RECORDS ONLY

This level of service includes:

- A private place to hold records.
- Satisfies compulsory school law in Colorado
- A report card you complete.
- Student/Teacher ID's (print at home)

By enrolling at this level you are saying:

- You **DO NOT** want a private school transcript. You will make your own if you need one to further your education or transfer.
- You **DO NOT** want to graduate with FACE (ceremony or diploma). You will issue your own or have your student take the GED exam.
- You **DO NOT** want to take advantage of dual or concurrent enrollment with any colleges or trade programs that will require a transcript from us.
- You **DO NOT** need additional letters (good drivers discount, work permits, etc.)

WHAT IF I'M RECORDS ONLY AND CHANGE MY MIND LATER?

We know sometimes things change. Requests to change from records only to a full access graduating senior must be made by December 31st of that school year. 9th - 11th graders must request to change at least one month before any transcripts will be needed. Rush requests do incur an extra \$100 fee.

To change to full access

- 1) Make the request in writing to info@faceschool.org
- 2) If it's midyear, pay the \$25 upgrade charge for this year plus the high school fee (Currently \$60) for each year you were enrolled as records only high school.
- 3) Submit documentation of classes, credits, and grades for each high school grade level you were not full access.
- 4) Schedule and attend (with your student) a meeting with FACE staff to ensure your transcript is accurate and complete.
